## Discipline Roadmap for: Risk Management

### ■ Discipline Boundaries:

- The practice of Risk Management as it relates to Information Security

### ■ Discipline Standards:

- NIST and ISO both have Risk Management Guidelines/Standards

### ■ Migration Considerations:

- None

### ■ Exception Considerations:

- Additional Frameworks may be accepted in place of the two mentioned per agency need as long as they are sufficient to cover the dangers posed by IT Security Management to the citizens of South Carolina

### ■ Miscellaneous Notes:

- None

### ■ Established

- March 26, 2008

### ■ Date Last Updated:

- March 26, 2008

### ■ Next Review Date:

- November 2009
